Thank you for your letter dated July 11, 2024. We received this letter yesterday, July 15<sup>th</sup>, and the deadline for comments is today. We would like to express our disappointment in this timeline. **That being said, we wholeheartedly support the closure of the Agnew Street and 22<sup>nd</sup> Street East Walkway. We hope this closure will help with safety issues in the neighborhood.**

Please confirm this email will reach the City Clerk, as your letter does not provide an email address for the City Clerk, nor would a mailed response reach the City Clerk prior to the deadline imposed. Thank you.
