

March 17, 2025 City Council Inquiry Responses

Councillor	Inquiry #	Inquiry	Dep't Sent to	Date Responded	Response
Councillor Brown	INQ#25-04	Can I get an update and information into the water drainage concerns on the North side of the 800 block of 14 th Street West?	Public Works	March 25, 2025	<p>The Director of Public Works:</p> <p>Public Works has reviewed the inquiry as well as the conditions along the block when the inquiry was made and noted that at the time of inspection, there were no immediate concerns visible. Public Works has dealt with drainage concerns along this block in the past and will take the following steps through the spring season:</p> <ul style="list-style-type: none"> • Roadways and Water and Sewer will monitor the block for any drainage concerns that may arise through spring melt; • Engineering will have the block surveyed to determine the extent of any drainage issues in the spring and implement any potential operational improvements; and, • Once assessed, Public Works will provide City Council with a follow-up on what steps have been taken. <p>If residents along the block have any immediate concerns that arise throughout the season, they should call the Solutions Hub at 306-953-4884 to notify Operations along with details of the concern.</p>
