

My name is Wendy Graham I live on the 600 Block
8th Street I have real concerns about this
homeless shelter and the Dave Stewart Arena

When the ~~temporary~~ temporary shelter was over there
before I

#1 always had people in my yard
#2 Trying to break into my garage
#3 and they will come right up
to my door.

#4 I am 71 years old and I like to go
for walks but it will not be safe
for me to do this anymore

#5 They go through my garbage cans
and leave the stuff on the ground for
me to pick-up

#6 This will also lower the ~~the~~ value of my
home and I would have to sell my house
to be safe that is not fair

I believe the ~~the~~ people who voted yes to
this area do not live in the area and have
no idea what it is like to live near a
homeless shelter

Thank-you for reading my concerns

Wendy Graham
