With the decision having to be made regarding a temporary location for another homeless shelter in PA, I appreciate that city council has been reaching out to our community for feedback.

I do not agree with using a city facility that was intended for recreational activities for our youth and other clubs. The Dave Steuart Arena was not built to "house" individuals, temporarily or not. I fully believe if this route is taken now, the Steuart will always be looked at as a contingency when we are faced with this same issue in the future.

The Arena should be used what it was intended for, sporting events, city functions and recreational activities.
