## REPLACEMENT RATINGS AND GENERAL MAINTENANCE

**Replacement Ratings:** A replacement rating of 5 indicates the most urgent need for repair, replacement, or other upgrades. A rating of 1 signifies that the playground, spray park, or court has been recently upgraded and does not require urgent replacement or play components.

**Inspections & Maintenance:** According to City policy, the 29 playgrounds in this report require multiple inspections each year, conducted by a Canadian Certified Playground Inspector. Additionally, all play spaces in this report require regular annual maintenance.

# Condition Rating

Rank	Description of Condition
1	Very Good Condition – only normal maintenance required
2	Good Condition – minor maintenance required (5%)
3	Fair or Moderate Condition – Maintenance Required to Return to Accepted Level of Service (10-20%)
4	Poor Condition – significant renewal/upgrade required (20-50%)
5	Very Poor Condition – asset unserviceable, over 50% of asset requires replacement
